## **Clubhouse Spring Commissioning Day (A/K/A spring cleaning)**

**Come help to spruce up the clubhouse.**

**Saturday May 17th**

**0900 hours**

**(Rain date, if needed, will be Sun. May 18<sup>th</sup>)**

We will be cleaning and setting up the clubhouse, preparing race marks and other chores, as needed. The new committee boat will also need some cleaning and last minute details completed.

We will host a cookout for all of our hard workers, to include hot dogs, chips and soda. Volunteers also needed to wield their barbecue skills.

We need all of the help we can get.  
Lend a hand, so we can all  
enjoy an improved clubhouse this summer

If you would like to help, please bring a paintbrush for race marks. Please contact:
